

EZ Registration Form 2010

We are getting ready for another awesome year!
There is a new calendar on the reverse of this form.
We had so much fun with you this year and want you there!
We know the new forms are long and time is short.

Because you are a returning camper we can reserve a space now and collect any necessary paperwork later.

To take advantage of the EZ method of reserving your space, you must have attended in 2009. Complete the Pre-Registration below and send it with your fees to reserve a space.

We are all looking forward to seeing you again!
